

# Power Pines Campground

Amid the pines and firs of the Eldorado National Forest, and SMUD's Upper American River Project the SMUD Employee Association operates a campground for SMUD employees, retirees, and their spouses. Power Pines Campground is a perfect spot to enjoy all the outdoor fun offered in the scenic Crystal Basin Recreational Area — camping, hiking, fishing, boating or swimming.

Power Pines Campground includes forty-nine campsites that are available for weekend getaways or longer vacations on the shore of Union Valley Reservoir. Each campsite has electricity and running water. Other amenities such as bathrooms and showers are also available at the campground. Power Pines has campsites for every kind of camping — tents and trailers — even recreational vehicles. Camping season runs from Memorial Day through Labor Day.

## Getting There

Power Pines is located in the Crystal Basin Recreational Area about 70 miles east of Sacramento. To reach the campground, take Highway 50 to about 20 miles east of Placerville and exit on Ice House Road, then 18 miles north to the campground.

To volunteer, drop a note to the Campground Reservations Coordinator at M.S. BOO3.
